To: Wofford Campus Community

Please be sure to attend the Opening Convocation at 11 a.m. Thursday, Sept. 4, in Leonard Auditorium in Main Building. This is the official opening of the academic year, and it's especially exciting because joining the Wofford community is the largest class in the college's 160-year history.

The Rev. Dr. William H. Willimon, professor of the practice of Christian Ministry at the Divinity School, Duke University and a Wofford alumnus, will be the featured speaker.

In addition to Willimon's address, Opening Convocation will include a welcome and update from President Nayef H. Samhat.

As the college begins its 160th year, Willimon's address, "Going for the Gold at the Old Gold and Black," is more relevant than ever before. Willimon bases his message on the scripture "The Kingdom of Heaven is like treasure hidden in a field, which someone found and hid; then in his joy he goes sells all that he has and buys that field." (Matthew 13:44-46)

Named one of the 12 Most Effective Preachers in the English-speaking world, Willimon is a United Methodist bishop, retired, and is Professor of the Practice of Christian Ministry at Duke Divinity School. For 20 years he was Dean of the Chapel at Duke University. A 1968 Phi Beta Kappa graduate of Wofford, member of Pi Kappa Alpha Fraternity, and recipient of the Algernon Sydney Sullivan Award, he has been a Wofford trustee for many years. Both of his children, Harriet and William, are Wofford graduates. Willimon also holds degrees from Yale and Emory Universities. Fourteen colleges and universities, including Wofford, have given him honorary degrees. He is the author of 60 books. Patsy and Will Willimon have established endowments at Wofford for faculty study and travel as well as student scholarships.

Faculty is reminded that their official group photograph will be made on the steps of Main before the convocation.

From: Dennis Wiseman, Provost  
Re: Opening Convocation, Thursday, Sept. 4; faculty photo

In conjunction with tomorrow's Opening Convocation, you are reminded that faculty will march in full regalia. We will assemble on the Seal of Main, and the faculty photograph will be taken at 10:45 a.m. before the 11 a.m. convocation in Leonard Auditorium.

If weather threatens, the photograph will be canceled and faculty will assemble on the ground floor of Main Building; we then will move upstairs and enter Leonard from one of the two stairwells.

This is an important college event, and we look forward to everyone participating.

The screenings will be held in the Anna Todd Wofford Center, which is located through the front door of the Andrews Field House. Any questions other than scheduling can be directed to Lisa Lefebvre at [lefebvreilm@wofford.edu](mailto:lefebvreilm@wofford.edu). Those employees who are currently a member of the employee wellness program will need to do this screening again unless you have joined since June 15, 2014. If you have had your cholesterol and glucose checked at your physician's office since June 15, 2014, that may be used and but you will need to complete the rest of the biometric screening to enroll in the Wellness program.

We will be holding an information session next Thursday, September 11, at 3:30 p.m. in the Gray-Jones Room in the Burwell Building to discuss the Wellness Program and the screenings. Please join us if you have any questions. Either late on the evening of September 6 or the early hours of September 7, an unknown person or persons entered the Cumming Street maintenance facility and stole physical plant property.

Campus Safety does not believe that the safety of the Wofford community is in jeopardy. Campus Safety does believe that the burglary is an isolated event where an unknown individual(s) sought to steal tools and equipment that are easily and quickly sold.

Campus Safety asks that anyone who may have seen unusual or suspicious activity or persons around the facility during that time to notify officers on duty. Campus Safety also wishes to remind the campus community not to prop open exterior doors and to always lock cars and vehicles with valuable items removed or stored out of sight.

You can contact Campus Safety by calling 864-597-4911.

Thanks for your assistance.

Dear Campus Community,

Since last spring, hundreds of individuals, including students, faculty, staff, alumni, parents, friends and members of our Board of Trustees, have been involved in our strategic visioning process.

This journey to prepare the college for its successful future has resulted in a draft vision that ultimately will be presented to the Board of Trustees for approval in October. Prior to the board meeting, I would like to encourage all of you to review the vision document and offer your thoughts. You may do so by clicking on the Strategic Vision image on the main page in myWofford, where you will find the draft vision document as well as a confidential feedback form. *(Note: The document is only viewable when accessed on campus, and you will be prompted to re-enter your myWofford username and password to access it.)*

Please provide your insights no later than **Monday, September 29**.

The college also will host an open forum about the Strategic Vision from 4 to 5:30 p.m. Wednesday, Sept. 17, in McMillan Theater. All faculty, staff and students are encouraged to attend.

Now is a significant time in Wofford's history and an incredible opportunity for all of us to directly impact the college's future. Thank you for being part of this important process.

Best,  
Nayef

**Re:** Wofford's participation in ESPN's College Hoops Tip-Off Marathon, Nov. 18

We are very excited that Wofford will participate in ESPN's seventh annual College Hoops Tip-Off Marathon on Tuesday, Nov. 18, showcasing the college to a national audience. This event, which begins on Monday, Nov. 17, encompasses more than 24 hours of consecutive coverage to mark the start of the 2014-15 season.

**Wofford will host Iona at 7 a.m. Tuesday, Nov. 18, in Benjamin Johnson Arena, to be broadcast on ESPN2.**

This schedule obviously impacts our class schedule, and we have worked to create a schedule that allows and encourages students, faculty and staff to attend this unique event as well as keeping in mind the needs of the academic program.

The morning class schedule is as follows:

- **8 a.m. classes will be held from 9 (or immediately following the conclusion of the game) to 10:20 a.m.**
- **9:30 a.m. classes will be held from 10:30 to 11:50 a.m.**

***Lunch and afternoon classes will be held on the normal schedule.***

All students, faculty and staff are encouraged to attend the game and give Wofford a terrific showing to this national audience. A reserved section in Benjamin Johnson Arena will be available for faculty and staff.

A pre-game breakfast tailgate is planned for students beginning at 5 a.m., and it will include interactive games, door prizes and more.

More details about the activities surrounding the game will be provided closer to Nov. 18, but be sure to mark your calendars!

The Spartanburg Walk to End Alzheimer's is scheduled for **Saturday, October 11<sup>th</sup> at 10:00 AM** (check-in opens at 9:00 AM). This city-wide event will be held on Wofford's campus and will kick-off right outside Gibbs Stadium. Several area colleges will be represented; last year we had a record number of student volunteers and team members. It is my hope that our students, faculty and staff will wow the Upstate yet again with a strong turn out!

If you are interested in donating, walking, volunteering to help set up, or any combination of the former, please [click here](#) to access our Wofford College Team page. By the way, you don't have to donate to walk and you don't have to walk to donate. *Any support is appreciated.* The walk is approximately 2 miles in and around campus. There will be fun activities for kids and hopefully the weather will cooperate!

Please let me know if you have any questions or if you would be interested in helping set up for this event. Thank you!

**Subject:** MESSAGE FROM THE PROVOST: Encourage student participation in National Assessment of Service and Community Engagement

**Date:** September 30, 2014 at 12:49 PM

**To:** Wofford Staff WoffordStaff@Wofford.Edu

---

Dear Wofford Faculty and Staff:

Through Oct. 10, Wofford is participating in the National Assessment of Service and Community Engagement (NASCE), a web-based survey that measures an institution's overall level of community engagement by evaluating the rate, frequency, and depth of student community service activities.

Wofford is dedicated to the promotion of community engagement and service on our campus, and we are interested in identifying and understanding how and where our students serve (through a community engagement program? a service learning course? club involvement? etc.). This survey is a wonderful opportunity to assess how well Wofford serves the needs of the community and to highlight the efforts and passions of our students.

All students already have received an email – with a link to the online survey – inviting them to participate. I need your help to advertise the NASCE and to encourage all students to participate, regardless of their participation with community service.

Please announce the survey in your classes and other academic and co-curricular settings, encouraging students to participate. Should you have any extra class time and feel the content of the NASCE relates to your course content, feel free to encourage students to take the survey during that time (it should take about 10-15 minutes).

Upon completion of the survey, respondents will be entered to win one of seven available \$75 Amazon gift cards.

To learn more about the NASCE, please visit: [www.siena.edu/sri/nasce](http://www.siena.edu/sri/nasce).

Thank you for your time and assistance.

Sincerely,

Dr. Dennis M. Wiseman, Provost
